Stogsdill promoted to Wastewater Supervisor

The Town of Zionsville announces that Danny Stogsdill has been promoted to Wastewater Supervisor. Danny began with the Town of Zionsville in 2013 as Plant Operator. In 2016, he was promoted to Chief Plant and Lift Station Manager and in 2020, he was promoted to Chief Operator.

Danny has a Class III Collections System Operator and Class IV Wastewater Operator (IDEM) certification and has been the Interim Wastewater Supervisor for the past year.

"We appreciate Danny's knowledge and skills and, more importantly, his dedication to the Town of Zionsville," said Mayor Emily Styron. "We look forward to growing our capabilities with Danny at the helm."
